

# Photo Register on studentcentral

## Using the Card Swipe tool

1. You need to have the card swipe box plugged into the computer and then open the card swipe tool.

▼ Register

# Photoregister

[photoregister for full module](#)      [reporting tools](#)  
[photoregister for groups](#)      [admin - editing tools](#)  
[card swipe register for module](#)      [help and support](#)

Beta v0.2 (5-2-18) feedback to [eLearning development team](#)

2. Students simply hold their card against the card swipe as in top picture and their registration will be recorded.
