| 11.50am – 12.40pm | Protecting Citizens Online call themes - Panel Sessions and Q&A  
The panel sessions will provide an opportunity for relevant industry and third sector organisations to discuss their perspectives on the call research areas listed.  
1. Understanding citizens’ needs and empowering them in ever changing threat contexts  
2. Navigating information asymmetries between state, companies and citizens.  
3. What does good or balanced look like?  
A Q&A session will follow to allow comment and discussion by attendees.  
Panel chairs: Professor Steven Murdoch (UCL), Dr Tariq Elahi (University of Edinburgh), Professor Adam Joinson (University of Bath) |
| 12.40pm – 1.00pm | Closing comments |
