

**Please complete your application online at <https://www.aerosol-cdt.ac.uk/>  
A copy of the online application form is shown below for your reference:**

**Centre for Doctoral Training in Aerosol Science: Cohort 2022 Application form**

*In submitting this form, you are agreeing to allow us to share your responses with the CDT academic team(s) for the research projects you are interested in. This will allow us to find the best PhD opportunity for you.*

*The Centre for Doctoral Training in Aerosol Science is committed to furthering issues of equality, diversity and inclusion and we are keen to attract talented individuals from a diverse range of backgrounds. The needs of individuals will be accommodated during the recruitment process and while studying with the CDT. Further information on our commitment to equality and diversity can be found at: <http://www.bris.ac.uk/jobs/diversity.html>*

**Section 1**

**Your details**

**1.What is your first name?**

**2.What is your last name?**

**3.What is your address?**

**4.What is your email address?**

**5.What is your expected fee / residency status?**

Home / UK

EU

Overseas

Unsure

**Section 2**

**Your degree qualifications and / or current programme of study**

**Please provide details of institution, subject, year of award and details of your final year project, starting with the most recent:**

**6.Most recent degree institution**

**7.Most recent degree details**

Please include type of qualification, subject and further details, e.g. final year project

**8.Graduation year**

**9.Result / predicted result (if known)**

**10.Additional degree institution**

11. Additional degree details

Please include type of qualification, subject and further details, e.g. final year project

12. Graduation year

13. Result

14. Additional degree institution

15. Additional degree details

Please include type of qualification, subject and further details, e.g. final year project

16. Graduation year

17. Result

**18. Do you have other relevant academic or professional experience you would like to tell us about?**

### Section 3

#### Your PhD interests

**19. Please specify your PhD project preferences:**

**Your preferred theme(s)**

(e.g. Atmospheric/Environmental Aerosols; Aerosols and Health; Aerosol Measurement Techniques; Aerosol Technology; Basic Aerosol Processes)

**And / or your preferred PhD institution(s)**

(e.g. Bath, Bristol, Cambridge, Hertfordshire, Imperial, Leeds, Manchester)

*Your answers are just a guide at this stage and we appreciate they may change. Candidates have an opportunity to learn more about specific projects and meet with potential supervisors as part of the interview process.*

**20. In 250 words or less, describe the ways in which you feel that your academic, scientific, paid employment, voluntary and/or other experience have prepared you to conduct research in your preferred area(s) with the CDT in Aerosol Science.**

**21. How did you find out about the CDT?**
