Potential Hazard	Action or attention required to control the risk.	Is the risk adequately controlled?
Tripping	Pay attention to the surroundings otherwise if we fall over we could cause bodily harm.	Yes
Rain	Walk at an appropriate pace or we could slip over and cause bodily harm.	Yes
Slopes	Could slip down them stay away from them to prevent this	Yes
Building decay	Stay clear of overhead objects and wear protective gear otherwise something may fall on us and cause injuries.	Yes

Be aware that conditions can change after you have made your risk assessment due to: the nature of the activity, the weather, the time of year, road works, building works etc. The risk assessment may need to change to take account of this and filming should be postponed if conditions change suddenly.

Any material that you shoot that does not adhere to the department's Health and Safety Policy will be rejected and not be permitted to be used in your coursework!
