Flying Disc 'Bigger Than Automobile' Photographed by Youth Who Is Amazed Because No One Else Saw It

GERRIE K. MURPHY

The flying disc was seen by a youth who lives at 415 West 131st Street, New York City, under a tree in the yard. The youth did not see it in fact, when he saw in the Ledger-Dispatch with a photograph had taken of the object he wanted to know why the newspaper had not already taken a picture of it. "I thought the newspaper members were fast," he said, a re-

few words later didn't look any-
thing like saucers.
Looked like football.
The boy went to his father's
company, explaining that the
object was very rounded
what the disc like, and that though
it moved in its northward
direction it was traveling very rapidly.
about 600 miles an hour.
He guessed that the object was
the thing was about 5000 feet
long, the disc, in color it
was gray almost black, and
looked like a "burned strip" of
