## About Solana:

I'm a fun girl who loves R&B, cats and getting my nails did... that's all :)

## Passions:

I love love love! R&B and indie music, I could probably classify as Jorja Smith's no.1 fan. I've been to many of her performances, as well as SZA. I'm a festival go-er who loves to dress up and feel my best and enjoy the good vibes.
