

# EDITORS NOTES

Welcome back to Millennial, guys! This season, I present the Autumn Winter issue. Before we even under went any meetings, we straight away knew who we wanted to be the face of this mag; *Lil Koris*. Not only is she a long time pal of ours but this year Koris has been challenging stereotypes through her killer fashion and powerful music, which incorporates snippets of rap inbetween the rythmic blues. So much blood, sweat and tears have gone into this bad boy and we hope you will enjoy reading it as much as we enjoyed making it. We ensured that this article was filled with swag style and many funky features of some very quirky characters, just for you.
