

Shot 1

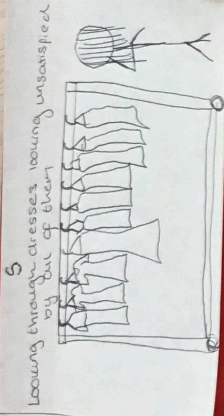

Pull focus on invitation to show what she is getting ready for - the party

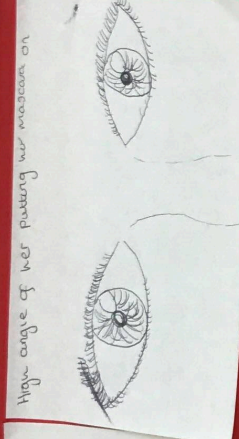

Girl painting her nails over the shoulder angle.

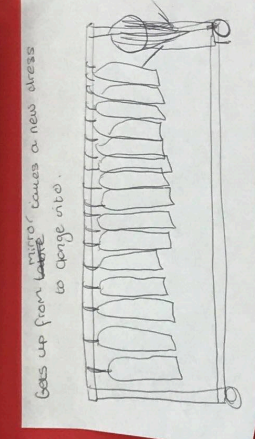

Girl looks uncomfortable/disinterested as in pb reward.

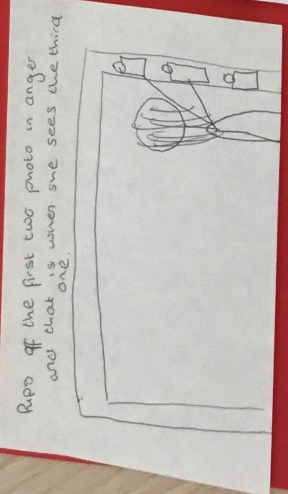

Looking through clothes, looking unsatisfied by 'but' of them

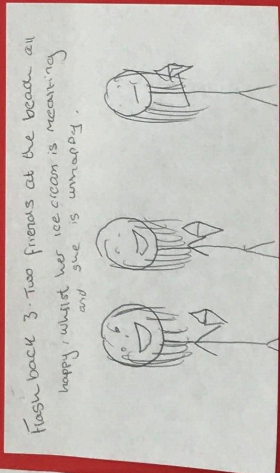

High angle of her putting her mascara on

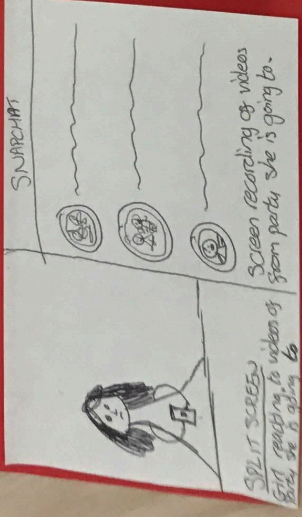

Bees up from mirror - causes a new stress to emerge into.

Rip of the first two photos in anger and that is when she sees the third one.

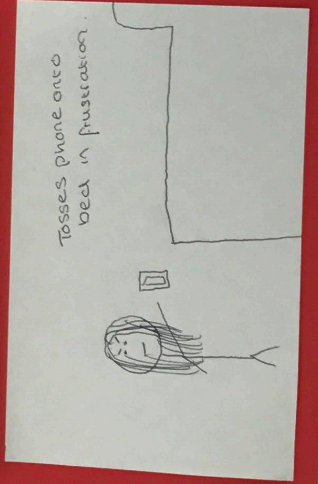

Flash back 3 - Two friends at the beach all happy, whilst her ice cream is melting and she is unhappy.

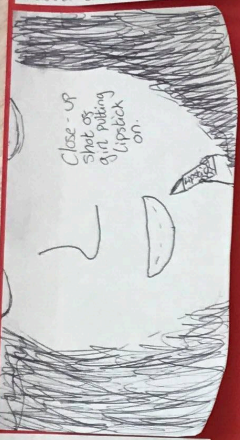

SMARTPH

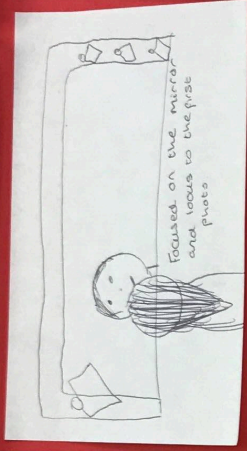

SPLIT SCREENS Screen recording of videos from party she is going to. Girl reacting to videos of her she is going to.

Tosses phone onto bed in frustration.

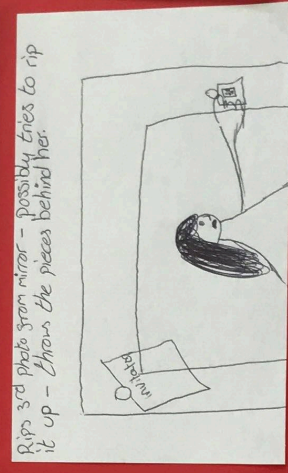

Close-up shot of girl pulling lipstick on.

Focused on the mirror and looks to the first photo

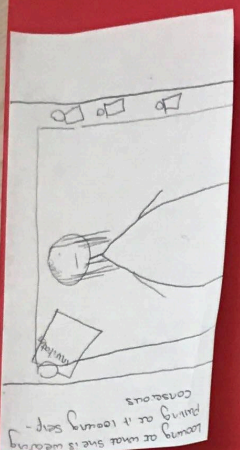

Girl looks at second reward - triggers flashback

Rips 3rd photo from mirror - possibly tries to rip it up - throws the pieces behind her.

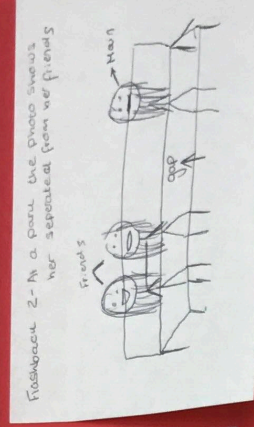

Side view Girl sat on bed - holding her head - shows stress.

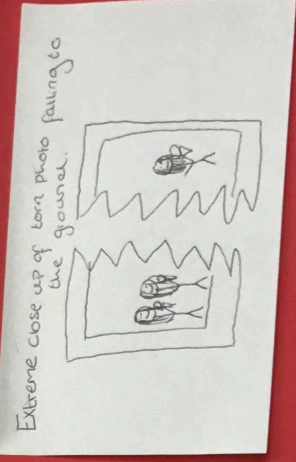

Looking at what she is wearing conscious

Girl taking a photo of her two friends - she is left out.

Flashback 2 - In a park, the photo shows her separated from her friends

Extreme close up of torn photo falling to the ground.

The seat of the bench - flips all of the makeup off the dead
