

Monday, 14 October 2019

Tennyson Street, 8pm

1. Apologies for Absence  
RL; CH;
2. Minutes of the meetings of the 27 August 2019  
Agreed
3. Matters Arising
  - To Let Signs – not much to report. Signs in windows are tolerated, but won't be if they become more prevalent.
  - Speed Watch Update- machine is now on Hewson Rd. It now has two locks on it. If anyone notices that it is not flashing, please let NM know that batteries need changing. John Davies has asked for trees to be chopped back, but hasn't heard anything.
  - 49-51 West Parade- Two weeks delay already, but have started today.
4. AGM – Wednesday November 13<sup>th</sup> at Parish Hall, 7.30pm.  
Possible topics for AGM: promoting successes of WERA – speed cameras; to let signs; play park. Possible speaker on Play streets (closing roads)
5. Committee Numbers  
Would like one or two new members.
6. New Resident's parking bays  
NM has continued to ask and has been promised a response.
7. Refuse/Recycling Initiative  
SL saw approx. 12 black bags at bottom of Whitehall Grove – not collected by binmen. SL reported to council. Bags were removed but letter sent to house which had left them out. Letter will be going to whole of the West End shortly to explain the system and collection days.
8. Revised HMO Regulations – Meeting with council  
NM met with council. They are behind with licensing and have back-log. Now have employed two staff.

9. Commons Update

Want to hold cycle race on South Common. Want to put new footpath from St George's to Whittons Park, at the back of the houses through Newts Hollow.

New management plan for commons. Had first meeting. Priorities are: right to roam; right to graze an animal; protect open space. Looking into getting Green Flag, which can get extra funding from government. Golf club will have to abide by the new plan.

Need to get two quotes to build new bridge. Still waiting. Wildlife trust will do full survey.

Access to common from footpath near golf club will be reinstated. Some repairs near Grandstand are needed.

10. Planning Matters

- Nothing to report.

11. AOB

- Noise on West Parade. MC reported re Whitehall Grove and had response from the ASB team when he called them the next morning. However, he did not get a response from council when he emailed them after he had logged it with the 101 operator.
- MC has got info from Nottingham re Operation Corridor, which seeks to reduce transient noise. SL will raise at the Carholme Community Forum
- Gala was a success. Bouncy castle needs to be outside because noisy.

12. Date of next meeting: Monday, 2 December 2019, at 8pm.
