

SUPPORTING YOUR ACADEMIC STUDIES & ACHIEVEMENTS DURING 20/21

How our process and regulations have been adapted to support you through the pandemic. *

General

- Significant adaptation of teaching and assessment to blended approach
- Personal tutor support
- Support for new methods of teaching and assessment
- Advice and support for all other concerns via Student Services and the SU Advice Centre

For further info: Contact Student Support

Individual

- Extensions to deadlines (application needed)
- Extenuating circumstances (application needed)
- Personal Academic Study Support (PASS) plans with individual mitigations for specific circumstances

For further info: Contact your school or Student Support

Assessment

- Reassessment cap lifted
- Covid Impact Review process prior to Examination Boards will review marks and mitigate if required
- Additional time allowance for submission of time-constrained assessments (TCA's)

For further info: Contact your school

CHANGES BY YEAR OF STUDY

Foundation / First Year

- Marks are for progression only and do not contribute to degree classification.
- Reassessment cap lifted.

Year 2

(or year 3 in a 4-year course)

- Best of three approach will
- calculate final degree outcome.
- Only one calculation utilises this year's marks, safety netting
- performance.

Final Year

- Safety net mark from Year 2 has been generated for use at final exam boards, resulting in an additional calculation for overall outcomes.

Additional Information
