

CYCLING AND TRAINS IN THE AREA

The area is well served by railways. Lincoln has direct rail services to Nottingham, Sheffield, Doncaster, Cleethorpes, Peterborough and Newark Northgate. These services all take two bicycles free with no booking necessary and many stop at the intermediate village stations. Newark Northgate has direct trains to London, Peterborough, Doncaster, Leeds, York and Scotland, which carry five cycles free (including tandems) but booking is necessary in advance.

CYCLING MAP 2015

3 PUBLISHED BY LINCOLNSHIRE COUNTY COUNCIL

THE LINCOLN AREA

Lincolnshire County Council is pleased to publish this fifth edition of the popular Lincoln Cycling Map. The biggest influence on improvements for cyclists, since the last map was published in 2012, has been the outcomes of Lincolnshire County Council's Access LN6 programme. This scheme has encouraged more people to walk, cycle, use public transport and car share, focussing on the LN6 postcode of Lincoln.

The Lincoln hirebike scheme is now firmly established in the city and the map shows the 18 docking stations where bikes are available and details of how to rent a bike. This scheme enables easy access to cycles in a flexible way and is a good way to experience the excellent cycling that the area offers.

The map details the finished paths and crossings for cyclists around Whisby Road and Station Road in Hykeham which have made cycling in that part of the city much more attractive. It also shows the new path that links South Hykeham village to the main urban area.

The map highlights the many rural lanes that offer excellent cycling which can be accessed safely around Lincoln. Being a very agricultural area, there are times when very large lorries will use even the smallest roads in order to take the crops from the fields to shops, markets or to be processed. Although the lanes marked are generally the quieter ones, riders must bear in mind that all roads have periods when they are busier and attract larger or faster vehicles, so cyclists must always take care.

The other maps in this series can be obtained from Lincolnshire County Council. Cycle training is one of the best ways to boost your confidence on two wheels. Whether you're getting on a bike for the first time or a regular cyclist looking to improve your skills on busy roads, Access Lincoln can provide tailored courses to suit your individual abilities and goals. To book your place call 01223 473820 or visit www.cycletraininglincoln.co.uk

GOOD CYCLING CODE

ON ALL ROUTES
Please be courteous! Always cycle with respect for others, whether cyclists, pedestrians, people in wheelchairs, horse riders or drivers, and acknowledge those who give way to you.

- ON SHARED-USE PATHS**
- Give way to pedestrians: leave them plenty of room
 - Keep to your side of any dividing line and keep to the left when you meet other cyclists
 - Be prepared to slow down or stop if necessary
 - Don't expect to cycle at high speeds
 - Be careful at junctions, bends and entrances
 - Remember many people are hard of hearing and visually impaired – don't assume they can see or hear you
 - Carry a bell and use it – don't surprise people
 - Give way where there are wheelchair users and horse riders

- WHEN CYCLING ON ROADS**
- Always follow the Highway Code
 - Be seen – most accidents to cyclists happen at junctions
 - Fit lights and use them in poor visibility
 - Consider wearing a helmet and conspicuous clothing
 - Keep your bike roadworthy
 - Do not cycle on pavements except where designated – pavements are for pedestrians
 - Use your bell – not all pedestrians can see you

- AND IN THE COUNTRYSIDE**
- Always follow the Countryside Code
 - Respect other land management activities, farming or forestry and take litter home with you
 - Keep erosion to a minimum if off-road
 - Try to cycle or use public transport to travel to the start and finish of your ride
 - Match your speed to the surface and your skills

THANK YOU FOR CYCLING!
The bicycle does not cause pollution or contribute to climate change. Thank you for choosing this environmentally friendly form of transport.

LINCOLN

MAP SYMBOLS

- Roads with heavy traffic – best avoided

Off-road cycle route away from highway corridor

Routes found useful by local cyclists – mainly on quiet roads

Track – may be unsurfaced and muddy after rain

Other roads

WELCOME TO LINCOLN HIREBIKE

hirebike is a bike rental scheme in Lincoln. Bikes are available to rent across the city.

Currently, there are 100 bikes available to hire in 18 locations in Lincoln. These are marked on this cycle map with this symbol:

There are two tariffs when renting a bike – 'Pay As You Go' and 'Annual Membership'.

For 'Pay As You Go' users, the price is £2.00 per hour and capped at £5.00 for a full day rental.

For annual members, who are required to pay a £20 annual subscription, the first 30 minutes of every rental is free. It is then £1.00 per hour and capped at £4.00 for a full day rental.

Visit www.hirebikelincoln.co.uk or call 01522 370 143 within office hours to get started.
