The University of Lincoln
Equality, Diversity and Inclusion Strategy
2016-2021
Message

From the Vice Chancellor

The University’s diverse community has played a key role in its achievements to date. At Lincoln we continue to be ambitious and, by 2021, aim to be a global ‘thought leader’ for 21st Century Higher Education. Creating an inclusive community for all with ‘Dynamic, Engaged People’ forms part of the University’s strategic aim where individual differences are valued, and everyone is treated equitably and fairly.

The University of Lincoln believes in equality of opportunity and respect for all. We value the strength that diversity brings and recognise that our ambitions will only be realised by our diverse and inclusive community embracing collaborative working, valuing individual differences with continued dedication, being future focussed, creative and talented.

Professor Mary Stuart
Vice Chancellor, University of Lincoln
Introduction

Purpose and Context

The Equality, Diversity and Inclusion strategy outlines the University’s approach to Equality and Diversity and the ongoing work to embed these commitment principles and values at the heart of all that we do as a community. Our community represents all staff, students, external partners, visitors and the wider community.

The strategy aims to demonstrate the next stage of the University’s equality journey in its pursuit to continue to go beyond the requirements of the Equality Act 2010.

As a public sector organisation the University’s duties under the Equality Act 2010 is to have ‘due regard’ in carrying out its activities with the need to:

- **Eliminate** unlawful discrimination, harassment and victimisation and other conduct prohibited by the Equality Act 2010.
- **Advance** equality of opportunity between people from different groups.
- **Foster** good relations between people from different groups.

Equality Act 2010
Our Milestones

Objectives

Leadership and Governance

➢ To ensure the principles of the Equality, Diversity and Inclusion strategy are embedded, demonstrated and promoted within the University’s Senior Leadership team and Board of Governors.

Understanding and Engagement

➢ To raise awareness by increasing understanding and engagement with equality, diversity and inclusion across the University’s community through development opportunities, communication and collaborative opportunities.

➢ To monitor and seek where possible to increase representation of staff with protected characteristics where data demonstrates under-representation.

➢ To continue to address and work towards the gradual reduction of the gender pay gap.
Our Milestones

Objectives continued

Inclusive Community

➢ To promote an inclusive learning and working environment, underpinned by an equalities ethos upholding the dignity and respect of all.

➢ To promote and foster a culture of equality, dignity and respect in which all members of the University enjoy freedom from discrimination and take responsibility for creating an inclusive, respectful community.

➢ To develop and embed frameworks that articulate our expected behaviours and values.

Data Analysis, Measurable Action and Reporting

➢ To further develop and embed the collection of qualitative and quantitative equality data across all protected characteristics to monitor improvement, inform action plans and report progress.

➢ To improve student satisfaction, academic and employment outcomes of students with protected characteristics where data suggests that they may not be reaching their full potential.

➢ To improve understanding of the needs of our staff and students.
Progress
Up to 2018

**Race Equality Charter**

**Action:** To work towards the achievement of the Race Equality Charter Bronze award - to improve the representation, progression and success of minority ethnic staff and students in higher education.

**Update:** Self-Assessment Team (SAT) chaired by the Deputy Vice Chancellor-External Relations was established and convened a number of times during 2017 to conduct a critical analysis of the race equality picture at the University and discuss ways in which the University can improve the experience of BAME staff and students by creating an inclusive community for all.

**The Challenging Perceptions Summit 2017.** A collaborative initiative to challenge discrimination and promote equality, diversity and inclusion. The event brought together key local organisations, stakeholder partners and community groups to explore and share how together we challenge perceptions and, in doing so look to counter the growing prevalence of hate crime.

**Race Equality at Lincoln information site** established, along with a thought-provoking commissioned video resource that has received sector wide recognition for excellent practice.

**REC Focus Groups and REC Surveys for staff and students,** with engagement in the surveys from 14% of the staff population and 10% of the student population.

**Diversity Festival** - The community-wide festival held in partnerships with local business, public organisations and charities, aimed to celebrate richness of a shared community and promote inclusion and multiculturalism through a programme of workshops, exhibitions and activities.
