CORE Ambassadors – how you can help

Become a CORE ambassador to enhance CORE’s efforts in advancing open access and supporting text-mining in your area by:

- Presenting CORE to research stakeholders (students, librarians and researchers).
- Posting CORE news on blogs and social media.
- Sharing information about CORE to listservers (especially local).
- Presenting CORE during events and conferences.
- Updating the CORE Team with the community’s feedback.
CORE Ambassadors – how we can help

Outreach materials

To assist the ambassadors in their outreach activities, we have put together some downloadable materials.

- CORE brochure (pdf)
- CORE flyer (pdf)
- CORE logo (png)
- Adaptable promotional text (google doc)
- CORE general presentation (google doc)
CORE Ambassadors – our first ambassadors

CORE Ambassadors

- George Macgregor, Institutional Repository Co-ordinator, University of Strathclyde
- David Walters, Open Access Officer, Brunel University London
And a final reminder: Repositories Dashboard

Open Research Online
Open University
lib-oro-team@open.ac.uk

In this page you have an overview of the articles present in the repository. The following actions are available:

**Take down**: Use this button to remove the record's metadata and full-text from CORE.

**Take up**: Use this button to make the metadata and the record's full-text available in CORE.
Thank you!
