1:1 TUITION PROGRAMME
Info Sheet – 2022/23

Instrumental/Vocal lessons are offered to UoR students, colleagues, and alumni on a termly basis.

PRICING AND TERM STRUCTURE

We offer a ‘one-size-fits-all’ standard package for lessons. This means, all students will be asked to commit to a minimum of 6 hours tuition time with their teacher across the year. This can be taken as 30 min, 45 min or 60 min lessons, depending on what the student wants to do.

Fees are to be paid in full, upfront at the start of each term and are non-refundable.

Our ‘Standard Package’, costs £270. Additional lessons may be arranged if required for an additional fee. Sign up for lessons here using our Online 1:1 Tuition Form.

ABOUT YOUR LESSONS

Scheduling

Lucy Kelly, Music Programme Coordinator, will email you once you have registered your interest and confirm whether your chosen teacher is able to take you on. It is important that both your availability and that of your chosen teacher’s is compatible. If your chosen teacher is unable to take you on at this time, we will put you on our waiting list and contact you as soon as a teaching slot becomes available.

Once your place on the programme has been confirmed, Lucy will send you the payment link for our “Standard Package”. Once payment has been made lessons can commence.

You will then liaise directly with your teacher to schedule your lessons for the term. Lessons will take place in the UoR Music facilities on London Road Campus, Building L29. Lessons may not be undertaken in any other location at any time.

Instruments

You will be required to have your own instrument to play, with the exception of piano and percussion/drumkit. There are pianos and drumkits in the Music facilities that are available for use. If you would like to use the UoR Music facilities, you can find out on our website at http://blogs.reading.ac.uk/music/practice-facilities/
Occasionally and in exceptional circumstances we may be able to provide instruments other than piano and percussion/drumkit. If you need to hire an instrument, please contact us and we will do our best to assist you.

**Absences**

When you know there is a lesson you will not be able to attend, please notify your teacher as far in advance as possible. For reasonable absences with sufficient notice, your teacher will do their best to arrange an alternative lesson time. Please note that on some occasions this may not be possible, we therefore encourage you to ensure you can commit to your arranged lesson times and avoid changes wherever possible.

In the event that you are absent and have not notified your teacher, the lesson will be forfeited.

**Arrival & set up**

If you play an instrument that requires setting up, please ensure you arrive early for your lesson so that your instrument is ready to play at the start of your lesson time.

**Learning Materials**

Please be aware that you may be required to purchase learning materials. The UoR Library also houses an extensive music catalogue which can be searched on the library website.

**Communication**

As you will be communicating directly with your teacher, please ensure that you have agreed in writing that you are happy for us to share your contact details with them.
