

"I have found this course extremely challenging at times but thoroughly enjoyable. I felt comfortable delivering education within my clinical setting but now this course has taken me out of my comfort zone and given me the confidence and underpinning theory to deliver education in a range of different academic and practice settings."

Are you an allied health professional, nurse/midwife or social worker?

Would you like to become a qualified health or social care educator in practice or higher education?

Would you like to gain professional accreditation as part of your study?

If the answers are YES then the PgC Education in Health and Social Care programme (NMC teacher/HEA Fellow) is for you. With flexible online or blended delivery and an option to study part time or full time commencing September 2017 we would love to hear from you. We also offer a CPD route for Practice Educators. Please visit the Blog below for current programme information and/or contact Helen Gough PgC Programme Leader at H.Gough@gcu.ac.uk with any questions.
