CAROLINE ELSEY, Headteacher

19.3.20

Dear Parents,

All schools in Midlothian are awaiting further guidance on Home Learning but we are sending home today the following information with your children.

- GLOW - Login details and passwords.
- SUMDOG - Login details and passwords
- Education City – Login details / password

The children will also bring a library book and blank jotters.

On the School website under the section 'HOME LEARNING' you will find Learning Grids for each year group. Some have been uploaded already, the rest will be uploaded by 5pm today.

Links to websites and additional learning are also in this section.

For parents – the login details for the school app are:-

USER HPS PASSWORD 2714

The website does not require a password.

The website address is **hawthornden.mgfl.net**

You can also follow our Twitter feed **@HawthorndenPrim**

As we get more information and guidance from both the Scottish Government and Midlothian Council then the website will be updated.

If you are not already part of the Hawthornden Parent Council site on Facebook then it would be useful to join this as well.

I can also be contacted by email on c.elsey@mgfl.net

Best wishes,

Caroline Elsey
Headteacher
