Sponsored How Many Miles

Dear Parents/ Carers

We are organising a sponsored how many miles can you complete in 45 minutes on Tuesday 9th and Wednesday 10th October 2018 to help pay for Special Events in school throughout the year.

In the past we have used all the proceeds from our sponsored events to help pay for storytellers and authors, sports tasters and other visitors in school that enrich the learning of our pupils. Rather than having to ask parents/carers to pay for these visits we are aiming to use all the proceeds to go towards the forthcoming events to cover the costs until it runs out. Classes will however still pay for trips. The idea behind the sponsored how many miles can you complete in 45 minutes is to be active, have fun and raise money at the same time!

The how many miles can you run in 45 minutes will take place on Tuesday 9th and Wednesday 10th October where classes will be allocated a time slot within these two days. The children will be running around the school where a circuit has been measured and at the end of the 45 minutes not only will they have an individual result of how many laps/miles they managed to complete they will also be told as a class how many miles they completed and then as a whole school!

Your child has been given a donation form today with strict instructions to ask only their family, friends and neighbours to support them. They must not ask round the doors.

P3 children can come to school on Tuesday 9th October in clothes suitable for this event and P1, P2, P4, P5, P6 and P7 children Wednesday 10th October.

Please support us with this initiative as the children benefit greatly from the variety of visitors we have in school.

The donation forms should be returned to school by Friday 26th October 2018.

Many thanks.

Judith Mathers
