WOODBURN PRIMARY SCHOOL

VISION, VALUES & AIMS

Since August 2018 we have been working really hard reflecting on the aspirations we have for our learning community. Our learning community is our school, our families and all our partners.

We worked together in groups of staff, children and parents/carers to share our ideas and have these represented in drawings created by Graham Ogilvie, a graphic artist.

In January our school staff looked at everything that had been created and in groups created their Woodburn VISION and VALUES.

We would now like to give you the opportunity to consider each and vote for the one you think best fits our school community. It is really important to us that everyone in our community has an opportunity to take part.

Our Woodburn Is...

RESPECT
GROWTH
TRUST

Working together to cultivate a learning community that is filled with...

We also want to consider 3 key AIMS to go alongside our VISION and VALUES. Consider someone leaving Woodburn PS..........

- What skills would you want them to have gained and developed?
- What would you want them to have achieved?
- What sort of young person would you wish for them to be?
