

Loanhead Primary School
School Improvement Plan
Parent Version Session 2019 - 2020

PRIORITY	ACTION	IMPACT	TIME
Priority 1 Maths	Uninterrupted daily maths time to include daily mental maths tasks	Pupils given the opportunity to concentrate and engage with maths over a fixed time that is uninterrupted. Resulting in higher attainment.	ongoing
	Moderation of maths to be carried out throughout school	Teachers working together to assess and check that professional assessment across school is consistent in maths.	Summer term
	Individual maths programmes to be completed daily	Support for pupils who require this	ongoing
Priority 2 Health & Wellbeing	P7 pupils to have a refresher session on restorative practice and then to be supported in training our P6 pupils to take over this role.	Support for our younger pupils in repairing relationships and teaching accountability.	Oct - June
	3 health weeks looking at food, health and exercise	Pupils have better knowledge of what makes us healthy	1 per term
	Behaviour policy to be shared with parents and teacher study of Paul Dix to enhance knowledge of best practice in this area	Continuing implementation of restorative principles maintaining positive behaviour within school.	ongoing
Priority 3 Reporting	In line with guidance from Midlothian Council. New reporting format to be put in place - this will be shared with parents at curriculum evening. It will be reviewed by parents, pupils and staff.	Parents have a clearer picture of their child's learning and areas of support allowing for more effective partnership working and raised pupil attainment.	Sept - June
