

Ramsay Campus

Newsletter June 2020

Dear all parents, carers and pupils of Ramsay Campus,

I hope this newsletter finds you safe and well. I hope the ease on lockdown measures has helped you to get out more and see some family or friends. We have been very lucky with the weather and the sunshine definitely helps lighten our mood. Let's hope this good weather continues and we are able to stay safe and happy.

Health week

Mrs Duncan has organised lots of healthy activities for next week beginning Monday 1st June. There are also sports day events. You will find all the information in google classroom. Any questions just email Mrs Duncan on A.Duncan@mgfl.net Please note that this is an across campus event.

Returning to school

A letter from Midlothian Council has been issued regarding return to school. This is on Loanhead Primary School website.

Transitions

Links are on the website for P7 transitions to Lasswade High School. For other High Schools you should have received communication direct from the school. If this is not the case please email the school office.

There is now a dedicated page on the website for ELC nursery/P1 transition. Please visit this page regularly as we post lots of information around starting P1.

Google Classroom

If you need help with passwords for Google classroom, access to devices or you have any other technical issues, Mrs Hinton is available. You can contact her on email at k.hinton@mgfl.net There are also some videos in each of the classrooms that give you step by step guidance on how to submit tasks etc.

If you require more materials for working at home (jotters, pencils etc.) please let you class teacher know and arrangements can be made to provide these.

Reporting

We have been asked by Midlothian Council to post reports to you. This will take a bit longer as we have to print and then envelope them. We hope to send these out around the 12th June. There is a section that we have asked you to complete with your child. Can we ask that your child brings their targets with them when they return to school? Many thanks for your support with this.

Staffing

It is with sadness that we say goodbye to Mr McGaff who will be leaving at the end of this term. He has been given another year contract with the council, but is still waiting to find out where he will be based. We wish you all the best Mr McGaff and know you will do well in whatever school is lucky enough to have you!

We are awaiting council information on what our return to school will look like and will issue specific class teachers in due course.

End of term event

Our house captains are hoping to organise some end of term events for each house, detail will be on the website and in google classrooms. We are also looking at ways to mark the end of term for all staff and pupils, this is still work in progress and we will be in touch once a decision has been reached.

Uniforms

Uniforms are available in the usual way - order details on the website. Please note they are trying to clear the backlog as they have been closed and are currently working with a skeleton staff so orders are taking longer than normal.

P7 Hoodie

Our P7 hooded sweatshirt design has been submitted and we are being told that this will be available in August.

Support

If I can support in any way during this difficult time please do not hesitate to get in touch. You can reach me on email at; d.donnelly@mgfl.net

Please take care and stay safe.

We are missing you all,

Mrs Diane Donnelly and all the staff of Ramsay Campus.
