

Dear Parents and Carers

Firstly I would like to wish you all a Happy and Healthy New Year!

Further to the First Minister's most recent announcement on Monday 4 January, schools will now open for in-person learning for children of key workers and vulnerable children, with remote learning for all other children and young people from 11 January to 29 January.

We understand that while you may not have needed to apply for a critical childcare space for the original remote learning period from 11-15 January, you may now need to apply for the period from 18-29 January. You should make this application via email to your child's school only if absolutely necessary and you cannot access childcare anywhere else.

[Paradykes\\_ps@midlothian.gov.uk](mailto:Paradykes_ps@midlothian.gov.uk)

Early Learning and Childcare (ELC) Settings From 5 January to 29 January, early learning and childcare settings can only look after children of key workers and vulnerable children. If you have not yet applied for a place at a council setting or private/voluntary provider setting but now need one because of the extended restrictions, please contact the setting directly. As with schools, if it is possible for children to be at home during this exceptional period, until settings reopen more fully, then they should be.

Please note that for ELC and school children, arrangements such as grandparents looking after children, are still permitted. Where there is an alternative option for childcare, for example with a parent who is not a key worker, or a grandparent then this should be used in place of a child attending in person. Childminders with fewer than 12 children are able to look after all children, not just key worker/vulnerable children.

We would like to reassure you that for all children and staff who will attend in person, our schools still provide a safe environment. We have the same very strict standards of cleaning and expectations of hand and respiratory hygiene in place, and will continue to follow all appropriate guidance.

We have reviewed our expectations related to the wearing of face masks as part of our enhanced measures to provide further assurance to staff and children.

There is now an expectation that all EY staff wear face masks at all times

There is now an expectation that Primary School staff will wear face masks at all times

Face masks will also be worn by all visitors to schools/ELCs and also outside at pick-up and drop-off times whenever on school/ELC premises, even outside

Only essential visitors will be allowed in school with all other meetings taking place virtually. During this period, parents and carers will not be permitted in school buildings other than by prior arrangement with the school and as the only option available.

8:45 – 3:15pm

We have 3 classes. Staff are working on a rota basis; Early Years Class/P1 staff; Mrs Todd, Mr Gray, Mrs Paris, Mrs Curran, Mrs Johnstone, Mrs Pitkethley, Miss Thomson, Mrs Murray Please enter/exit through Nursery entrance

P2-4 staff: Miss McKenzie, Mr Mangan, Pam Montgomery Please enter P2/3 Mr Ross class door

P5-7 staff: Mr Stirling, Miss Roberts, Mrs Hillis Please enter through Dining Hall Doors

Transport/Safe Routes to School During this time, school transport will run as normal and there will be crossing patrols in place for those who have been asked to attend, or who have a critical childcare space.

School Lunches

Children who attend school and ELC on these dates will be provided with a school lunch. Parents and carers will not be charged for this lunch.

BACS will continue to be paid to those who are entitled to Free School Meals for financial reasons, however every child attending school in person will get a meal provided. Further information about Free School Meals during this period can be found here:

[https://www.midlothian.gov.uk/info/855/school\\_meals/117/free\\_school\\_meals\\_and\\_clothing\\_grants/3](https://www.midlothian.gov.uk/info/855/school_meals/117/free_school_meals_and_clothing_grants/3)

Remote Learning

Teachers in school are working together to plan and deliver remote learning experiences which will be based on children's current learning targets. In addition to this some teachers will be in school delivering learning and teaching so your child may experience teachers other than their own. For ELC, home learning activities will be provided. Schools have been planning for the possibility of remote learning experiences for some time, and are well-prepared, however please contact your child's school directly if you have any questions in this regard.

Please see footnote relevant to Paradykes online learning.

We also continue to be guided by the most recent Scottish Government guidance as follows:

<https://www.gov.scot/publications/coronavirus-covid-19-guidance-on-reducingthe-risksin-schools/>

There are things you can do to help reduce the risk of you and anyone you live with becoming ill with COVID-19.

Do: • wash your hands with soap and water often – do this for at least 20 seconds • use hand sanitiser gel if soap and water are not available • wash your hands as soon as you get home • cover your mouth and nose with a tissue or your sleeve (not your hands) when you cough or sneeze • put used tissues in the bin immediately and wash your hands afterwards.

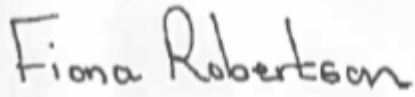

We appreciate the levels of concern and anxiety as COVID-19 continues to affect our schools and communities, and we would like to reassure you that we are doing all we can to support our children and staff at this time.

If you feel there are any queries that can't be answered by the school, please email:

Education-COVID19@midlothian.gov.uk

We would like to thank you for your continued support as we put our plans into action following this very recent announcement. We will keep you updated with any further information via our usual channels of communication.

Yours sincerely

A handwritten signature in black ink that reads "Fiona Robertson". The signature is written in a cursive, slightly slanted style.

---

A Happy New Year from all the team!!

We miss not having our children within the building but we aim to continue with a community feeling. Each Monday the teachers will upload onto the google classroom your child's work. Each day at 9-10am the teachers will welcome the children and families online and will continue to be available throughout the school day. This may be on the Stream or through Flipgrid – more information to follow. You can ask questions during that time directly to the teachers.

In addition out with that time, if you have any questions about your child's learning please email the teacher/learning assistant or any member of the Senior Management team. We are here to help you!! However please bear in mind that as some of our teachers are working in the school and supporting the online learning the emails may not be replied to immediately.

If you have any issues with GLOW passwords please email Jennifer Sommerville (PT) or the class teacher.

Can I also request that the children's work is regularly sent in and not on a Friday at 6pm. Our teachers work hard but many have families they need to care for too and marking is done throughout the week. We have also reflected that the children are involved in marking their own work in school and this is a method that they learn from their own mistakes. We therefore will send answers home for the child to self mark and then discuss with the teacher what they have learned from this.

Next week as part of promoting our school community the children will be asked to make a pom- pom and hang it on a nearby tree of their choice. This will sprinkle colour of hope across our community during the month of January and remind us of the heroes that are at the front line to protect us from Covid 19!

We will also be putting onto our twitter page each Friday a platform to share the children's learning across the school.

If you have any other ideas that our school could be considering to continue to improve the service we provide please email myself or my DHT Mrs Reed. We strive to support you all to the best of our ability.

Take care and stay safe everyone.

G Reid  
Headteacher

On the 1st to 5th of February we will be having our Scottish Week. Look out for more information about the community events and the Paradykes Scottish Talent Competition. Poems will be issued next week to all classes.
