

Midlothian

Dear Parent/Carer

We would love all Primary 1 children and their families to enjoy full access to library services. All you need is a library card - just complete the enclosed form and return it to Mayfield Library.

Please return the form to the library and not to the school. There is no need to post it; you can come in any time during library opening hours.

When the form is returned we will make up a membership card. This will enable your child to borrow books, CDs and DVDs, use the computers in the library, use our online catalogue, and much more. If you include your e-mail address we will be able to send you information about events which your child may enjoy.

It is free to join the library so please come along with your child and see for yourself what services we have to offer.

If you require more information or help with anything to do with the library, contact any member of library staff.
