| Practise playing your recorder. Mrs O’Connor has provided 3 pieces for you to practise: Love Me Tender, My Heart Will Go On and Flower Of Scotland.  

Happy Practising! | Task 1: Visit:  
https://www.bbc.co.uk/bitesize/topics/zrfr82/articles/zppvv4j watch the clip on a balanced diet and complete the quiz.  
Task 2: Fill in the blanks on the worksheet.  
Task 3: Complete the food diary. | Watch the 11 components of fitness video:  
https://www.bbc.co.uk/bitesize/guides/zxd4wxs/revision/2  
Listen carefully to the video and complete the matching task.  
Choose one of the components and think of an activity you could do to test it. Then test it out! For example: How much stamina do you have? You could test this by going for a run. |

| Try to make a piece of art outdoors in your garden or the park. This could be using sticks, leaves or any other natural thing you can find lying on the ground.  
Here is an example: | **60 SECONDS IN NATURE**

**ARE YOU UP TO THE CHALLENGE?**

We’re bringing the outdoors inside with our new 60 seconds in nature challenge. It’s easy!  
**1. Choose a Scottish wild animal or plant.**  
**2. Do some research to find out some fun facts about the animal or plant you have chosen. Draw a picture which shows what it looks like.**  
**3. Set up a camera or smart phone which you can record a video on, and set a timer for 60 seconds. You might want an adult to help you. You can present from inside your home or street outside the house.**  
**4. Standing in front of the camera, hold your picture up and tell as much as you can about the wild thing you’ve chosen. How much information you can store into 60 seconds?**  
**5. If you send your responsible adult, you are happy for us to share your video with others, email it to info@seabird.org.uk and we will post it on our social media pages or on that everyone enjoys your 60 seconds in nature!**  

**EMAIL: VOLUNTEERCOORDINATOR@SEABIRD.ORG** | As usual, watch the video and have a go at the experiment yourself. Try it in your bath or paddling pool. Or even in a sink!  
https://youtu.be/XsJHReihfpg  

**Do not go near lakes or ponds without supervision from an adult.** |

<table>
<thead>
<tr>
<th>Health and Wellbeing</th>
<th>Sports Day</th>
</tr>
</thead>
</table>
| Write as much or as little as you like to your teacher. We know how difficult this time is and having a check in with your teacher is something many of you may be missing.  

The full assignment will be available on teams, but the school will find a way to get your message to your teacher if you aren’t on Teams. | Plan your very own sports day  
- When is it going to take place?  
- Where will it be  
- What will the sports be?  
- Who will take part?  
- What will the prizes be?  
- What is the weather forecast for the day you have chosen? |

---

Try to complete the activities in the next 2 weeks. There will be a new grid on **Monday 15th June 2020**. There are also numeracy and literacy tasks on glow.  
P5 Teachers would love to see some of your home learning. Tweet us @BurnbraeP5J @BurnbraePSB
