## P4 Literacy and Numeracy Tasks – Week beginning 11.05.20

### Writing a Report
- **The Truth about Trolls**
- **Write an information report about Trolls.**

* I can write 3 facts about trolls in sentences.
** I can use the planner (in PDF) to plan a report about trolls.
*** I can plan and write a report about trolls in sentences, using the headings.
**** I can plan and write a report about trolls in sentences using the headings, and write 2 more sections/headers of my choice.

### Spelling
- Choose your spelling words with the pattern air/are/ear as in bear.
- There are some suggested activities for you to practise your words.

### The Tooseys
- This week Bentley Bear has a story for you about learning to drive a tractor, which isn’t easy!
- Bentley would love to hear from you about something you found difficult or challenging to learn.
- Write him a letter telling him about this and you could even draw him a picture of it.

### Reading for Enjoyment
- Keep reading for enjoyment when you can!
- Here is the link for AR tests: [https://ukhosted26.renlearn.co.uk/2243939/default.aspx](https://ukhosted26.renlearn.co.uk/2243939/default.aspx)
- Activity: Create a character map about your favourite character. There is an example and a template provided to help you.

### Numeracy Sports Day
- Make up a numeracy game that you could play at Sports Day which helps you practise adding up scores.
- For example, you could try Sock Curling like this teacher: [https://twitter.com/littlelessons20/status/1257555373323681792](https://twitter.com/littlelessons20/status/1257555373323681792)

### Revision Consolidation Sheet
- Have a go at a First Level revision sheet. There is also a Second Level sheet for extra challenge.
- Questions have been highlighted in red where

### First Level Numeracy Calendar - May
- Have a go at the First Level Numeracy Calendar for May. Do what you can. You could catch up on the dates we have missed, or just do one question a day starting from this week.

### Data Handling - Consolidation
- Well done for your work on Data Handling.
- Read through the Learning Slides and then have a go at a Mild or Hot challenge. You could copy the bar
|Make the game as challenging as you like. Take a photo of you playing the game or write down the rules to share with us.| we would like you to show your strategies.| charts carefully into your jotter.|
