Equality

This is a new question for the Scottish Government ScotXed data collection. If you wish to declare your child disabled as per the guidelines in the Disability Discrimination act please tick yes in the declared disabled box.

A person is disabled if he/she has a physical or mental impairment which has a substantial and long-term (i.e. lasts more than a year) adverse effect on his/her ability to carry out normal day-to-day activities.

Declaring a child as disabled does not obligate the Local Authority to carry out assessments or provide services.

--------------------------	-------------------------------------	------------------------------------

If your child/ young person is declared disabled please also indicate whether he/she has been assessed as disabled by a qualified professional. A qualified professional for these purposes could be an appropriate health professional e.g. Therapist, Doctor, Child and Adolescent Mental Health Services (CAMHS), educational psychologist, or similar. In certain cases e.g. where a pupil uses a wheel chair, the school can acknowledge that the pupil has an assessed disability on the judgement of the head teacher.
