

Eco-Schools Action Plan

SCHOOL NAME: Roslin Primary School

Eco-Schools Topic: Litter

Date Range of this Plan: Oct 17 to Jun 18

Your school's Sustainable Development Goal: Responsible Consumption and Production

Our overall aim for this Topic and Goal:

We hope to ensure all pupils are aware of our school litter policy and the reasons why littering is dangerous for our environment. We would also like to find out more about the rubbish we are putting in our waste bins to see if we can be recycling more.

Action What are you going to do?	Responsible Who's in charge?	Timescale When will it be done by?	Progress How can we measure it?	SDG How does your action link to your chosen SDG?	Evaluation/Development Was the action successful? How will you build on this in the future?
Review and update our school litter policy.	Miss Brodie Eco Committee	December 17	All pupils at Roslin will be able to talk about what we think and do about litter and how we recycle.	Information with regards to our school plans to reduce the amount of rubbish going to landfill with a focus on reducing, reusing and recycling.	
Place a small rubbish bin into the toilet areas.	Eco Committee Miss Brodie Mrs Foley	December 17	Cleaning staff will be able to comment on a reduction in rubbish lying on the toilet floors at the end of the day.	Monitoring of what pupils are throwing away to ensure rubbish bins aren't filled with recyclable materials.	
Carry out a litter audit -Indoor classroom bins -Outside Playground bins	Eco Committee Miss Brodie Mr Stark	February 18	Pupils will record their results to show the frequency of different types of rubbish. They will share their findings at an assembly.	Monitoring of what pupils are throwing away to ensure rubbish bins aren't filled with recyclable materials.	

Community Litter Pick	Eco Committee Miss Brodie Alan Krumholds	June 18	Feedback from members of the local community about the difference they see in the amount of litter on the streets.	Caring for environment	
Collaborative work with the Learning Council to create a joint litter action plan	Eco Committee Learning Council Miss Brodie Mrs Berry	June 18	Together the pupils will be able to see that the work they have undertaken has made a difference within the school grounds in terms of the amount of litter left lying after each break time and lunch time.	Caring for our environment	

Eco-Schools Action Plan

SCHOOL NAME: Roslin Primary School

Eco-Schools Topic: Biodiversity

Date Range of this Plan: Oct 17 to Jun 18

Your school's Sustainable Development Goal: Life on Land

Our overall aim for this Topic and Goal:

The Eco Committee would like to make pupils more aware of the need to protect and preserve existing habitats in order to encourage different wildlife into our school grounds. They would also like pupils to take more of an interest in the plants and animals we have within our school grounds and to then think about ways in which we could encourage more wildlife to grow / visit.

Action What are you going to do?	Responsible Who's in charge?	Timescale When will it be done by?	Progress How can we measure it?	SDG How does your action link to your chosen SDG?	Evaluation/Development Was the action successful? How will you build on this in the future?
RSPB Birdwatch (Part of our Wild Challenge)	Primary 4 Primary 5 Primary 6	Jan 18	Pupils will record the results in accordance with the RSPB survey.	National involvement providing information on bird numbers.	
Meeting with Alan Krumholds (Ranger Service)	Alan Krumholds	13 th December	The Eco Committee pupils are keen to find out different ways in which they can work with the Ranger Service. They are hoping to arrange a number of different activities with Alan that will include the Eco Committee and possibly individual classes.	Develop an awareness of what is being done at a community level to ensure habitats and ecosystems are being maintained.	

<p>Make bird feeders to be placed in and around the school grounds.</p>	<p>Eco Committee Miss Brodie Mr Stark</p>	<p>Feb 18</p>	<p>Pupils will hopefully be able to see an increase in the number of birds visiting their playground.</p>	<p>Provision of a food source will hopefully increase the numbers of birds visiting our school grounds.</p>	
<p>Create a range of different habitats for wildlife in our school grounds.</p>	<p>Eco Committee Miss Brodie Primary 4 Primary 5 Primary 6</p>	<p>April 18</p>	<p>Pupils that took part in the Habitat Explorer RSBP workshop will be able to go back out and give a score to our playground with regards to the available habitats. Hopefully they will see and improvement in our score.</p>	<p>Protection of natural habitats. Increasing the number of habitats available within our school grounds.</p>	

Eco-Schools Action Plan

SCHOOL NAME: Roslin Primary School

Eco-Schools Topic: Food and the Environment

Date Range of this Plan: Oct 17 to Jun 18

Your school's Sustainable Development Goal: Responsible Consumption and Production

Our overall aim for this Topic and Goal:					
<p>We would like to draw pupils' attention to the amount of food that is being wasted at a lunch time, We would also like to highlight to pupils that not all countries are as lucky as us when it comes to the availability of produce and food products. Linked with this we would like to build on a recent Farm to Fork visit each class had during our Health Week and look into where our food is coming from in more detail.</p>					
Action What are you going to do?	Responsible Who's in charge?	Timescale When will it be done by?	Progress How can we measure it?	SDG How does your action link to your chosen SDG?	Evaluation/Development Was the action successful? How will you build on this in the future?
Litter Audit looking at the different kinds of food wrappers that are put into our waste bins. *Linked with Litter action Plan	Eco Committee Miss Brodie Dining Room Staff	April 18	Pupils will record their results to show the frequency of different types of rubbish. They will share their findings at an assembly.	Encouraging pupils to be constantly thinking about whether or not packaging they have can be recycled.	
Lunch time food waste measurement	Eco Committee Miss Brodie Dining Room Staff	April 18	Pupils will weigh the amount of food waste collected at the end of each lunch time. They will do this over the period of a week. Pupils will then share their findings with the whole school at an assembly.	Focus on reducing the food waste we produce as a school in line with global focus	

Whole school focus on impact of the food we eat on the planet.	Whole School	Jun 18	Pupils will be able to challenge their parents to try and make more sustainable choices when it comes to the weekly shopping.	Education on how to make sustainable food choices.
