

Develop Literacy skills in Early Years and support progression in literacy for all children

* Review and update our current Literacy audit

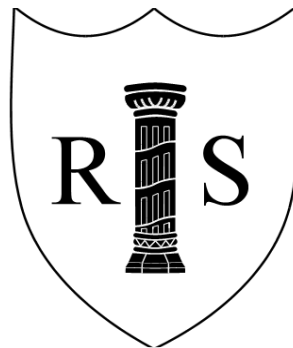

* Further develop literacy opportunities within the Nursery

Develop creativity, skills for life and learning through the development of a community garden

Roslin
THE LEARNER
2019-2020
Nursery

Continue to develop and embed our new system of observations and planning

* Plant and maintain a mini wildflower meadow
* Link to maths & numeracy skills
* Work collaboratively to build a bug hotel
* Create an outdoor area for woodworking and storytelling

* Weekly planning meetings
* Evaluate as a team
* Observations will capture significant moments of learning
* Peer and local moderation
* Identify 3 learning priorities for all pre-school children
