

To continue with the development of literacy skills focussing on fine and gross motor skills to support progression in early mark making

Continue with Helicopter stories and link with Primary 1

Continue working on the Moving Matters programme with pre-school children to develop skills that aid in early writing

To continue developing numeracy skills in Early Years and support progression for all children

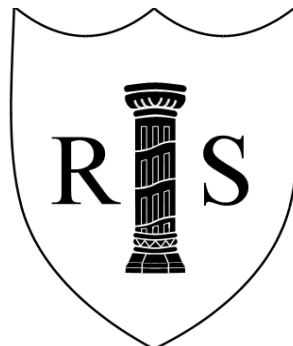

Roslin
THE LEARNER
2020-2021
Nursery

Support children to feel happy, secure and confident in returning to nursery and in adapting to the changes within the setting due to COVID -19

Staff will actively promote experiences linked to number across the curriculum

Create a designated numeracy area

Use the numeracy tool kit to ensure number is embedded throughout nursery

Actively promote the use of our outdoor space and garden development programme as a means of increasing staff and children's health and wellbeing

Support children to develop friendships in their small groups and with their key worker

Support and respond to children's individual needs
