

P3 Home Learning 16th February - 19th February

<p>Literacy</p>	<p><u>Spelling Common Words</u> Can you recognise the correct spelling of these common words? Remember: not all words spell as they sound!</p>	<p><u>That is so boring!</u> I found these sentences that are the most boring sentences that I have ever read! They need more interesting words and more amazing adjectives. Can you make the sentences more interesting to read?</p>	<p><u>Tremendous Texts 3</u> In this week's task we will explore the features of fiction and non-fiction texts! Full instructions on Teams.</p>	<p><u>Writing - Who is your idol?</u> Choose a famous person that you admire the most for their skills or achievements. We want you to tell us about them. Have a look at the task sheet to see what we're looking for!</p>	<p><u>Reading Comprehension</u> Choose a comprehension task that is the right level for you from the set on Teams. (If you're not sure just email us!)</p>
<p>Numeracy</p>	<p><u>Data Handling</u> Look at the colour survey challenge cards on Teams and use the tally information in the table to answer the questions. There are 4 different sheets to choose from. (Remember: find the difference between is another way of saying take away).</p>	<p><u>Addition and Subtraction Strategies</u> Keep practising your adding and subtracting using different strategies. There are some new sheets in the folder on Teams to use. Remember there are video demos of the different strategies you can watch too!</p>	<p><u>Making Money!</u> There are many ways to make totals in money. You will need to use only 1 or 2 coins to reach a total amount. This task needs you to think about skip counting using coins to get to that total amount.</p>	<p><u>Mystery Missing Numbers</u> Are you ready for a challenge?! Can you use what you know about addition and subtraction to solve the missing number problems?</p>	<p><u>Time</u> Use the sheets on Teams to practise telling the time on an analogue (round) clock and convert between analogue and digital time!</p>
<p>Health & Wellbeing / Other Areas</p>	<p><u>French</u> Have a look at all the colours in French in the PowerPoint on Teams and then have a go at matching the English colours to the French colours! Bonne chance!</p>	<p><u>PE - Choose your Challenge!</u> This YouTube Playlist has lots of themed workouts. Choose 2 or 3 of them to take part in and tell us which ones you enjoyed the most! Student Fitness Fun - YouTube</p>	<p><u>'How to Draw'</u> Drawing can be really good for looking after our mental health. Take some time to relax and draw using any of the videos from Art for Kids Hub - YouTube that take your fancy!</p>	<p><u>Feel Good February!</u> This task will take us through the whole month of February and it will have us thinking about our mindset and our feelings through some lovely tasks. Check out the task sheet on Teams to see this week's activity!</p>	<p><u>Keeping Myself Safe</u> This will be a focus of ours this term and we are hoping that you will be able to revise some of the ways we keep ourselves safe and learn some new skills and facts about keeping ourselves safe. Take a look at the 'Keeping myself safe from germs' tasks!</p>
