

ROSLIN PRIMARY SCHOOL

LEARNING AND GROWING  
*to Achieve Success*

Dear Parents/Carers,

I am delighted to be joining the team here at Roslin Primary and would like to thank all of the staff for making me feel so welcome. I would also like to thank Mrs. Wilson for the time she has taken to support the transition. It was a pleasure to spend some time with her, and I look forward to welcoming her back for visits. The school is a reflection of the love and care she has poured into it over the years.

As you may be aware, I am moving back to the Lothians after time in the Highlands, leading three wonderful remote schools. Although I will miss the scenery, most of my family are here in Edinburgh and I am thrilled to be close to them again. This has been my third and favourite career, following weather forecasting and chemical research. I am looking forward to getting involved with links to the Science Parks. I have been a single parent to five amazing and different children, all in their 20s now, and a grandmother too.

The school is looking fantastic - many thanks to the cleaning staff and teachers for setting it up as welcoming and exciting spaces for the children. You will also receive a letter explaining the COVID mitigations that remain in place as we return, you may know that the Government are hoping these will reduce over the next few weeks and we will keep you informed.

For the initial few weeks, school arrival and pick up times will remain as they were last term. Staff will continue to be wearing masks when within a metre of other adults and we ask that adults also continue to wear masks in the playground. You will be pleased to hear that the children will no longer be separated into groups when playing outside.

Looking forward to meeting everyone over the next few weeks.

Yours sincerely,

Helen Love  
Head Teacher
