

PUPIL RESPONSIBILITY

All of our pupils are encouraged to be responsible and to contribute to the life of the school.

Every child is a member of one of our Pupil Groups.

- Learning Council
- Health Committee
- Eco-Committee - achieved our 2nd Green Flag in January 2017

The children meet on a fortnightly basis, with a member of staff, to discuss issues and take forward ideas. Children then share their discussions and suggestions with the rest of the school at assembly. Throughout the session, every child has the opportunity to belong to every group, with all children belonging to the Eco Committee for the school year. We also have a system of monitors who help in classrooms and a 'buddy' system, the 'Glencorse Guardians,' who help in the playground.
