

SCHOOL AND COMMUNITY

The school has close links with local primaries and Beeslack Community High School. We also have links with the local community eg Rotary Club, Penicuik Horticultural Society and Tesco and children regularly participate in local competitions. Links also exist with the Community Police, Road Safety organisations and local health agencies as required. We access support from Children and Families Services and health agencies as required.

The school is not currently used for community events but is used for school functions. For further information regarding school lets, enquiries should be made to the Headteacher.
