

THE WIDER CURRICULUM

Throughout the session, classes visit local attractions which are related to work carried out in class, e.g. Visits are made to the Royal Botanical Garden, Edinburgh Zoo & Art Galleries. Pupils in P7 are given the opportunity to benefit from a Residential School Experience with their peers from local primary schools. Occasionally, particular requirements may apply eg sailing cannot be taken by non-swimmers, or certain equipment may be necessary. Some activities currently available cannot be guaranteed in future years, since the pattern of activities depends on the changing expertise and interests of staff and pupils.
