To achieve our vision we aim to provide an environment where we are

SCHOOL AIMS

- To meet the needs of all pupils and encourage each child to realise their potential
- To plan learning opportunities which provide children with skills for learning, life and work
- To support each child's emotional and physical wellbeing within a positive, caring environment
- To encourage a positive ethos within the school where individuality is recognised and valued and all children have a voice
- To work together with parents and our local community
- To encourage pupils and staff to have high expectations and ambitions

SCHOOL ETHOS

We pride ourselves in our positive school ethos. We encourage the children to take responsibility for their own behaviour and to look after and take pride in their school. They can do this by following our school Golden Rules, which were produced by the children themselves.
