LASSWADE PRIMARY SCHOOL

IMPROVEMENT PLAN

2012 – 2013

Living it, learning it, loving it ..... Lasswade
LASSWADE PRIMARY SCHOOL
values:

- high quality education
- happiness and security
- equal opportunity

Living it, learning it, loving it .......... Lasswade

Lasswade Primary is committed to providing learning opportunities which will enable children to become:

- Successful learners - we will learn together and do our best. We will actively learn new things and develop skills for life.
- Confident individuals - we will be happy and healthy. We will respect ourselves, look forward to the future and feel safe.
- Responsible citizens - we will respect and value others. We will listen, make decisions and have a caring school community.
- Effective contributors - we will be enterprising, creative, solve problems and work together. We will be able to express our opinions and be fulfilled.

To achieve our vision our school aims to provide an environment where we are all:

Nurtured    Fulfilled    Educated    Valued    Responsible
Innovative  Creative     Enterprising
FACTORS INFLUENCING YOUR IMPROVEMENT PLAN AND PRIORITIES FOR THE YEAR AHEAD

The aims and objectives of Midlothian Council provide the main context. These are published in the Council’s Strategic Plan.

School Improvement Plan Supports
The delivery of a quality service in a quality environment to raise attainment and improve standards.
The need to address and reduce disadvantage within the local community.
The need to recognise the key role staff have in delivering a quality service and to ensure they receive the necessary training and support.

Other Factors Influencing Priorities:

OUR STRATEGIES FOR CONSULTING AND INVOLVING STAKEHOLDERS

We value the involvement and input of our stakeholders in enriching experiences for our learners. Our stakeholders include:

- Learners
- Parents/Carers
- Education Division Staff, including all our school staff, Pupil Support Services, Lasswade Integration Team, our Link Education Officer, the Directorate Team, our Associated School Group, Agencies with whom we work closely, including Social Work, Health, Police, Voluntary Agencies and local Community members, including our school chaplain.

Consulting Learners

We have consulted learners about the priorities in this plan in a number of ways. We have weekly citizenship gatherings and talk to the children about what they see as learning priorities and our next steps as a school. Every class from P3-P7 has a representative on the Pupil Forum and it is the responsibility of each member to consult their classmates. Pupils from Primary 6 and 7 link with Primary 1 and 2. The school’s key priorities are discussed at forum meetings and members have the opportunity to give their views on priorities for improving the school.

Throughout the session, the views of learners are sought in relation to the targets within the school’s action plans through the use of questionnaires, focus groups, and Pupil Forum meetings. Learners are asked for feedback if taking part in any new initiative and questionnaires and feedback sheets are completed if relevant to an area of development. This session we looked at health, masterclasses and learning experiences in detail.

In addition, all learners are encouraged to be active participants in their own learning in class through self and peer assessment, setting their own targets and identifying the best ways to learn.

Consulting Parents and Carers

Formal consultation on the School Improvement plan takes place via the Parent Council. Our newsletter regularly gives parents information on all developments in school and asks for feedback throughout the session. Questionnaires and feedback sheets are completed if relevant to an area of development. Curriculum evenings and focus meetings eg Sex Education, Keeping Myself Safe enable parents to discuss and comment on learning and teaching. Consultation at Parental Consultation evenings in May have a particular focus and this year we asked for feedback on skills for learning. This information fed into our evaluation visit with our School Group Manager.
**Consulting Staff**
Staff have been regularly consulted and involved throughout the session at staff meetings, staff collegiate time and in service sessions. At departmental and stage meetings staff are given a focus for discussion and review practice linked to the school improvement plan priorities. At identified planning sessions staff review SIP progress throughout the year. Almost all SIP consultation is done using co-operative learning techniques, which involves all staff fully and really engages them in the process. Staff complete a broad view HGIOS audit annually and alongside this a closer look is taken to look at relevant quality indicators to further inform practice. Questionnaires or feedback sheets are completed if relevant to an area of development eg masterclass developments, Lasswade Lion award this session.

**Consulting other relevant bodies / agencies**
The Head Teacher meets with the Schools Group Manager to discuss the school’s priorities for improvement and to ensure that they are in line with Divisional and national priorities. All Head Teachers from schools in the Lasswade Associated school group meet to agree common priorities across the schools in the neighbourhood. An ASG planning day was held in April to focus on strategic planning and this was followed up in May/June with further planning sessions. Where relevant, the Head teacher consults agencies in relation to planned improvements, for example, in taking forward work improving health and well-being - staff from health, active schools and the integration team may be consulted.

## Overview of CURRICULAR MAP for session 2012 - 2013

### Values
- Wisdom, justice compassion integrity
- UNICEF Rights Respecting School
  - Working towards Level 1
  - Olympic values built in to positive behaviour Lasswade Lion award

### Totality of the Curriculum
- Positive Behaviour programme refined further with Lasswade Lion awards
- Opportunities for interdisciplinary learning over the session
- There will be a strong focus on core literacy, numeracy and health and well being skills
- Development of Thinking to Learn - skills for life

### Learning and Teaching
- Target setting and reflections being further developed. Core expectations for PLP’s
- Learning will be relevant, cooperative, active and fun. Pupils will experience more learning outdoors
- Tracking and monitoring being developed – more staff/peer evaluation and reflection built in
- Every pupil to have opportunity for small group discussion with HT/DHT

<table>
<thead>
<tr>
<th>Experiences and Outcomes</th>
<th>Values</th>
</tr>
</thead>
<tbody>
<tr>
<td>Full engagement through planning formats with Experiences and Outcomes in all curricular areas. Making use where possible of ASG project work. IDL planning format being used to give focused pieces of work. Refine year plans, block plans and use of all rubrics/progression pathways ASG working groups in - RRS Health Maths and numeracy Literacy AIfL Social subjects/science</td>
<td></td>
</tr>
</tbody>
</table>

### Responsible Citizens
- UNICEF
- Fair Trade
- Buddies
- Peer Mediators
- Global developments

### Confident Individuals
- Link between Rights & Responsibilities
- Celebration of achievements
- Positive relationships

### Successful Learners
- Maintain high level of attainment
- Independent learning
- Co-operative/collaborative learning

### Effective Contributors
- Enterprising School
- ASG working teams – staff/pupils

### Personal Support
- Good transition arrangements in place:
  - Nursery - Primary 1 •Primary 7 - S1
  - Transition profile at P7 developed
  - Personal support ASG priority
  - Review universal support linked to GIRFEC Rights Respecting School

### Principles
- Most principles are taken into consideration in current curriculum, this year the focus is on - Relevance – linking to work on planning for choices and changes and development of thinking skills for life. Focus weeks/months – refined to allow opportunities for depth in learning Progression – work in progress

### Entitlements
- A good broad general education in place
- Health and well being – planning shared from ASG project last session
- Transitions work to develop profile at P7
- Natural Scotland whole school focus
- Curriculum timetabling to develop priorities: Literacy, Numeracy, Health and Well-Being, IDL and work in exciting, relevant contexts Masterclasses continue
- Cross school working for Eco work, RRS/Forum, Global/Fairtrade work and Health
- All pupils P2-7 in cross stage groups. Work on Thinking skills and Blooms taxonomy

### Learner
- Good transition arrangements in place:
- Transition profile at P7 developed
- Personal support ASG priority
- Review universal support linked to GIRFEC Rights Respecting School

### Assessment
- Learning Community review of AiFL Learning Partners – introduce tri-learning partners, possibly across ASG
- Review use of summative assessment and standardised tests being used
- Develop use of NAR’s
- Develop moderation – reading/maths
## Section 4: Priorities for the Year Ahead

### School Session: 2012/13

<table>
