Learning Council meeting

On the 24th of September we went to Bonnyrigg Primary School for our first Learning Council visit and we had a fantastic time.

We got into groups by finding our jigsaw partners with pictures on the Rights of a Child.

Then we got to know each other by telling each other what we liked.

After that we created a team banner with our group names.

Jack and Eilidh were in the TV pasta party people, Tracey was in the Chocolate Game

Alexandra was in the Winning Club, Adam was in the Hard working Heroes and Alex was in the I-Pod team. The Bonnyrigg Learning Council told us all about the work they had been doing this term for Rights Respecting Schools.

Then we had a snack and a tour of the school and played some games.

Tracey handed out the special Learning Council badges.

It was a really fun afternoon.

By Tracey, Jack and Eilidh P5
