Event entry notes:

- Event entry forms/letters of invitation will be sent to schools at least 3 weeks prior to each event.
- Schools are encouraged to train pupils for events prior to arrival (where possible).
- If an event needs to be cancelled for any reason, schools will be given as much notice as possible. However, for events that take place outdoors a decision will be made the day before the event at the earliest or by 8.30am on the day of the event.
- Schools are responsible for organising and paying for their own transport for the events detailed on this annual events programme. If any of the above events are cancelled, it is the schools responsibility to agree cancellation terms with the bus company. Active Schools will not be responsible for covering transport costs for cancelled events.
- Pupils with Additional Support Needs (ASN) are welcome at our events and we will make every effort to accommodate special requirements with sufficient notification. Please note however, that an events calendar specifically for ASN pupils can be obtained by contact Scott Montgomery on the contact details below.
- The Outdoor Learning Team collate a separate primary events calendar. Information regarding these events will be sent out separately or can be obtained by contacting Bill Stephen on the contact details below.
