

Great to see how well the children are learning their letters and how quickly they are picking it all up! Thank you!

Great use of the smartboard. A variety of activities to introduce the letters.

Great to know that letters have a sound and a name. Will help a lot at home! Thanks.

Great to see the kids learning and interacting. Maybe a brighter smart board for P1x? Great learning techniques.

Very informative and showed how I can help at home.

Gave me good ideas for learning at home. Good experience.

Seeing children learning together. Nice to split learning over 3 tasks.

P1 Jolly Phonics Open Sessions Feedback September 2016

Good to see how sounds are taught and the start of blending sounds to start to read.

Enjoyed the magnetic board games. Good to see the different learning ways.

Enjoyed seeing how the kids learn their letters. Good ideas for at home.

Really enjoyed this session and found it very informative on how you teach the letters.

Thank you. It's good to see the phonics in use, this will help us to continue learning at home.

Enjoyed seeing the kids learn Jolly Phonics.

Enjoyed watching how they learn sounds/letter and how group work is followed on at tables.

Great to see how the teachers use different techniques to learn the sounds. Good opportunity to see. Thanks.

Was great to be able to be in the classroom seeing the children learn. Teachers are excellent at keeping their attention.

Gives great learning tips to use at home.
