

Would enjoy more sessions like these.

Excellent! Thanks for the opportunity to see this – very informative.

Really great to see the class and how things work.

Thank you. Great opportunity to see how to help my child with his phonics. Love the app!

I found this very helpful and good to know different ways of learning letters.

Very impressive! They have learnt a lot in a few weeks. Great class control Teacher!

Thank you. Great to see learning in action.

Really helpful. A pleasure to watch the children enjoying their learning.

Fantastic experience. Enjoyed seeing the children in active learning.

Really helpful to see what the kids are learning. Thanks!

Really good to see how they are all having fun whilst learning!

P1 Jolly Phonics Open Sessions Feedback September 2017

Very good session. Really interesting to see all the different methods of learning.

Very entertaining and most enjoyable to watch the children learn so much in a short time.

Thoroughly enjoyed seeing the class in action. Great to see phonics.

Very interactive, fun way for the kids to learn. They did seem to be distracted on the carpet by other classes.

Wonderful to see my child in her learning domain. Thank you!

Super morning seeing phonics in action. Will really help me at home with homework.

Thank you for having me. Really enjoyed seeing the Jolly Phonics in action and all the kids doing so well.

Good, fun ideas to use at home.

Brilliant to see them learning.

Great fun! Good to know how to make the sounds.

Really good session. Had great fun.

Very useful and informative.

Very interesting! I enjoyed watching the children being taught and how they interacted. I now know how to teach Jolly Phonics.
