

Severe Weather/ School Closure Work – Primary 3

Reading

Read your book and write a book report on it. Who would you recommend it to? What was your favourite part? Who was your favourite character?

Writing

Write an imaginative story about an adventure you go on. Remember to include joining words, descriptive details as well as all punctuation that you need.

OR

We have worked this term on character descriptions so draw a character and write a descriptive paragraph about them.

Spelling

Continue to practise your spelling words for this fortnight.

Numeracy and Maths

Work on your speed and accuracy for mental maths by playing sum dog. Please also practise counting in 2s, 5s and 10s as well as sharing/grouping in 2s and 4s.

You also have your basic facts work at home that you can continue to revise.

Homework BINGO!

How many squares have you filled? Can you try to complete the board?

Fun

Have fun and do something different! Bake a cake, make a snowman or play a board game with your family.

Keep safe and warm and I will see you soon!
