Dear Parent/Carer,

P6 BIKEABILITY

Primary 6 pupils are taking part in the Bikeability scheme, which will enable them to learn about safe practices for cycling on the road. The lessons will be practical and will involve cycling activities in the playground and on the roads around Danderhall. Pupils will be assessed on their confidence in the playground and will only progress to the road if we feel they are able to cycle safely and responsibly in these sessions.

The lessons will be delivered by Mrs Baxter and Ms Trichardt and start next term. At the moment we just need to know numbers of children taking part. Further information about the days/times of sessions will follow.

To take part pupils must have a bike in good working order, which they can bring to school, and a helmet. We have some helmets in school available to borrow and no pupil may take part in the sessions without wearing one. Bike locks should also be brought to enable bikes to be safely stored during the day.

Pupils will be eligible for a free bike check on Monday 19th March. Dr Bike will come and check over bikes and make minor repairs. Pupils wishing to take part should bring their bikes to school on that day.

Please could you complete the slip below to confirm whether or not your child will be taking part in the lessons and bringing their bike to school on Friday 16th March for a free bike check.

Yours faithfully,

MRS HOLLIGAN
