Dear Parents/Guardians

KERBCRAFT ROAD SAFETY TRAINING SCHEME

Our school is commencing a new Kerbcraft Road Safety Training Scheme and your child is being offered the opportunity to take part. The scheme involves training children at the roadside in small groups under the supervision of an adult. They will be supervised (a ratio of one adult to a maximum of three children) and will be wearing high visibility tops whilst being trained. We have appointed a co-ordinator to manage the scheme.

For your child to be able to take part you should sign the form below and return it to the class teacher as soon as possible. *Please note we cannot train your child unless you return this form.*

Please remember that this training is a long-term project and is preparing children for future safety on the road. *We strongly recommend* that they be supervised by an adult outside school hours and be accompanied by an adult whenever crossing the road.

Yours sincerely

Miss Macdonald
Kerbcraft Co-ordinator

The more adult volunteers we have, the more children can benefit from this invaluable training. *Without enough volunteers we are unable to train everyone.* If you have an hour a week to spare and would be interested in helping the scheme, please fill in the section below.
