

This week in Primary 1 we are learning...

Numeracy and Maths

- To find missing numbers in a sequence
- To recognise and write numerals
- To count backwards
- To add and subtract
- To collect information and display this in a chart

Health and Wellbeing

- To share space and equipment
- To begin to identify strategies to help us when we're stuck
- To begin to identify the Learner Qualities we use to help us

Literacy

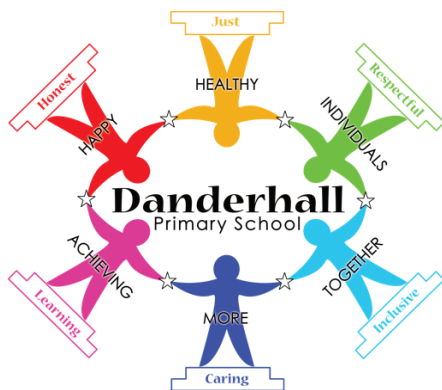

- To hear, say and write the sounds made by letters
- To correctly form lowercase letters
- To write instructions
- To talk clearly to others, sharing feelings, ideas and thoughts
- To ask questions

Other Areas

Dance - To move rhythmically and expressively

ICT - To recognise letters on a keyboard and practise mouse skills

RME - To name customs Christians use in the celebration of Easter

Home Learning Ideas

- Practise sounds and key words daily
- Read, build and write the word lists in your Home Learning jotter
- Have a fun and relaxing holiday!
