

## This week in Primary 1 we are learning...

### Numeracy and Maths

- To order numbers and find missing numbers in a sequence
- To count backwards
- To add and subtract
- To investigate different ways to measure

### Health and Wellbeing

#### Health and Wellbeing Fortnight

- To build skills within athletics
- To participate in Wake Up Shake Up
- To talk about the different types of food we eat
- To learn about healthy food and follow a recipe

**Open Morning Friday 9.00-10.30 am**

### Literacy

- To hear, say and write the sounds made by letters
- To correctly form lowercase and uppercase letters
- To read and write common words

#### Novel Study

- To identify features of books (author, illustrator, characters, speech bubbles, punctuation)
- To describe the main characters using a range of adjectives
- To create a new character
- To ask questions

### Other Areas

#### Nursery Transition

- To work with others to complete activities

### Home Learning Ideas

- Practise sounds and key words daily
- Read, build and write the word lists in your Home Learning jotter
- Read and write words from the common word list
