

Memories of Danderhall Primary School

As we move into our fabulous new school, help us say good bye to our old school building in its 60th year.

We are so excited to be moving into our lovely new school building in April 2021. There is no doubt that our new building will bring exciting new learning opportunities and will be a great place to grow and learn. However, we know that the old Danderhall Primary School, which was opened in 1961, still holds a special place in the hearts of many current and former pupils, as well as members of the local community. A building is more than just bricks and mortar; it is shaped by the memories of the thousands of people who have walked through its doors through the years. We would like to capture some of these memories and create a Memory Book.

What we need: pupils, parents, ex-pupils and members of the community to share photos and stories/memories of Danderhall Primary through the years.

How you can contribute: drop your files (photos/word documents/PDFs etc) into our Memory Drop-box. **We would like these by 1st April 2021.** Here is the link:

<https://www.dropbox.com/request/1FIPMseGiHPOxfYg40l2>

Please share this link with anyone you think may like to contribute to our memories project.

What happens next? We will collate all your memories and look at ways to share these with the school and wider community. I will also be making a Virtual Tour of the old school which I will share with you all once it is completed. Since we can't open our doors to the community at this time, this will allow you to take trip down memory lane and take a final tour of our old building.

Thank you!

Jen Mouat (Acting Head teacher)
