

P3/4 Intended Learning Week Beginning 1/10/18

Religious Education

P3/4: We learn about the bible being divided into the Old Testament and the New Testament. We will focus on the Old Testament and learn that this teaches us about the history of our faith.

Health and Wellbeing

As a follow on from our SHANARRI week we will be discussing and concluding the work done on racism and segregation, all the time focusing on how lessons learned from history must translate into action in our daily life

Literacy

Listening and Talking

We will discuss the important life messages that the bible is teaching us. We will start discussing how we can assess and improve our learning.

Writing

We will learn to spell the more difficult common words .

We will plan and write an imaginative story focusing on the end of the story.

We will write an acrostic poem.

Reading

We will work on understanding words that are unfamiliar to us by looking at the context and context clues.

Numeracy

P3: We are learning to identify HTU and to change the value of individual digits when ready, we will discuss rounding to the nearest ten.

P4: We are continuing to consolidate place value and learn rounding numbers to the nearest hundreds / thousands

Skill/ Disposition Focus

Primary 3: Effective Contributor: I can make changes from my original intentions.

Primary 4: Effective Contributor: I can make checks and edit my work.
