

P3/4 Intended Learning

Week Beginning 11/06/18

Religious Education

Primary3/4

We will learn about Mary Magdalene and the community and how Jesus' love transformed her
And draw conclusions about our own lives.

Health and Wellbeing

We will continue to develop our skills in athletics (relay races and passing on a baton effectively) and start learning about field sports.

Literacy

Listening and Talking

We will discuss in small groups how climate affects living beings as part of our study on climate zones.

We will start preparing a short group presentation

Writing

We will continue to write imaginative stories and focus on the sequence of events as well as learning more about the meaning and the use of VCOP.

Reading

This week we will finish learning about the skill of 'drawing conclusion' from what we have read.

Numeracy

Numeracy: We will learn our times table by heart, spending 10 min each day practicing with a learning partner.

P3: Will be focusing on dividing by 3, as well as by 2, 5 and 10

P4: Will be focusing on dividing by 4 as well as by 2, 3, 5 and 10

P3/4: We will continue with the mathematic topic of measure and focus on measure in litre and millilitres.

Skill/ Disposition Focus

Primary 3: Confident Individuals: I can take time to consider my experience and what I need to do next.

Primary 4: Confident Individuals: I can review my achievements against success criteria

(As these are very important skills we will keep these skills focus for another week)
