

# P3/4 Intended Learning

## Week Beginning 03/09/18

### Religious Education

P3/4: We will discuss how Jesus is a 'good shepherd' for us and practice our morning prayer that we have created.

### Health and Wellbeing

We will create a balanced plate of food and plan a health lunchbox whilst doing this we will use our listening and talking skills.

### Literacy

#### Listening and Talking

We will discuss how important our facial expressions are important in our communication.

P4's to lead a session on the art of 'Mime'

#### Writing

We will learn to spell the more difficult common words .

We will plan and write an imaginative story focusing on the beginning of the story.

P4 will also focus interesting sentence openers.

#### Reading

We learn (P3) all about the main idea of a text (4) will continue to apply what we have learned about the main idea to texts and our reading books

### Numeracy

P3: We are learning to find odd and even numbers to 100 and we are revising ordering numbers to 100. We also learn that = means equal i.e.  $2+3 = 3+2$   $2+3 = 4+1$ . We are learning to recognise whether = / - has been used in a calculation

P4: We are learning to recognise that = means equal and  $\neq$  means unequal. We are learning to find missing numbers to make number statements equal (balanced). We are learning to recognise whether = / - /  $\times$  /  $\div$  has been used in a calculation.

### Skill/ Disposition Focus

Primary 3: Effective Contributor: I can make changes from my original intentions.

Primary 4: Effective Contributor: I can make checks and edit my work.
