

P3/4 Intended Learning Week Beginning 8/05/18

Religious Education

Primary 3: We will learn a prayer to the Holy Spirit.

Primary 4: Will learn about the Pentecost story and how this gave strength to the apostles

Health and Wellbeing

We will continue to develop our athletics skills and learn and practice how to jump over hurdles and How to become effective sprinters..

Literacy

Listening and Talking

Having given each other feedback about the mime performances we will use our talking and listening skills to develop next steps so we can improve our mime performance

Writing

We will continue to work on the concept of newspaper writing. This week we use all that we have learned to plan and write another newspaper article. We will also write up our findings from our science research.

Reading

Having learned the reading skill to find similarities and differences in text we will apply this skill in new and different texts.

Numeracy

Numeracy: We will be learning new strategies for addition and subtraction.

P3: focusing on subtraction with 2 digit number using the column method and decompositions of tens

P4: focusing on subtraction with 2 / 3 digit number using the column method and decompositions of tens and hundreds.

P3/4: we will learn about lines of symmetry: 2 lines of symmetry P.3; 4 lines of symmetry P4

Skill/ Disposition Focus

Primary 3: Confident Individuals: I can take time to consider my experience and what I need to do next.
