

P1/2 Homework Due: 12th October

Literacy- Using the "Speed Sounds" flashcards, please practise the sounds we have learned over the last few weeks:

m, a, s, d, t, i, n, p, g, o, c, k, u, b, f, e, l, h, sh, r, j, v.

Mild Option:

- Ask your child to tell you the sounds using the flashcards included (envelope marked 'speed sounds')

Medium Option:

- Please ask your child to tell you as many words as possible that begin with the sounds learned.

Hot Option:

- Using your 'speed sound' flash cards begin to put sounds together to make simple 3 letter words. E.g. Say the word 'tap' slowly and count the sound you can hear t-a-p. Put these sounds together to say the word 'tap'. Repeat for different words.

Common Words are tricky sounds that cannot be sounded out. Please learn the following common words. We should be able to read these common words on our own! Use flashcards to help you memorise them.

- **I the you your said was are**

Numeracy- suggested activities

- Count from 0-20 and intentionally leave out a number, ask your child to identify the omitted number
- Practise writing numbers 1-10 or 1-20. Show number and ask child what is the name of the number then chose a number and ask your child to count that many pieces of pasta and write the number.
- Ask child which is number before/ after/ in between 1-20
